

Dear Friend,

We look forward to you joining us at the 18th Annual Long Island Caddie Scholarship Classic at the Piping Rock Club on May 14th. *Please note that this event is a reschedule of our 2018 LICSF Classic which had to be postponed due to rain.*

For nearly two decades, this event has been the cornerstone of the program's fundraising efforts. This is a special one-day tradition in Long Island golf in support of college scholarships for young men and women who work in service to golf at Long Island clubs. Your participation in and support of this event directly supports our scholars' pursuit of higher education.

Founded in 1962, the Long Island Caddie Scholarship Fund has provided close to \$4 million in need-based financial assistance to 762 scholars. There are 117 scholars currently attending colleges from Nassau and Suffolk Community Colleges to Harvard University.

Thank you for your support of these deserving young men and women, their scholastic careers and future endeavors.

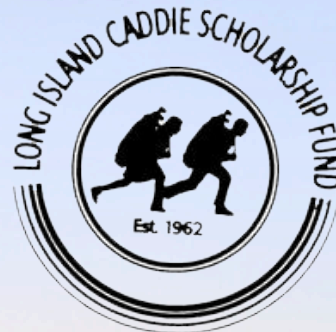

Fairways,
Johanna Gavin
Senior Director
